<p style="text-align: center;"><b>Mathematics Journal Self Assessment</b> <b>St Stephen's School – Carramar</b></p>
---

You are required to assess your own Mathematics Journal. Use the marking guide below to allocate yourself a mark out of 15. Your mathematics teacher will check your mark and may adjust if necessary. Finally your parents are to sign this document. Your mathematics teacher will record the final mark.

**Marking Guide**

**Presentation & Effort**

Is my Journal neat, clear and concise? /5

**Mathematical Content**

Have I included accurate summaries and examples of everything we have covered in class?  
(Check your course outline and consult your maths teacher.) /5

**Reflective Writing**

Have I made a special effort to reflect on what I have learnt in maths? /3

**Originality & Creativity**

Have I used a unique style in writing up my Journal?  
Have I made use of colour, headings, borders, diagrams, etc? /2

**Total Mark:** /15

**Teacher comment / verification:** \_\_\_\_\_
