Quick Quiz IV

1.
 - (a) What do you throw away the outside, cook the inside, eat the outside, and throw away the inside ?
 - (b) What can go up a chimney down but can't go down a chimney up ?
 - (c) I am the beginning of the end, the end of time, the beginning of eternity, the end of the human race. What am I ?
 - (d) What volume of dirt would occupy a hole 1.2 m long by 1.6 m wide by 0.9 m deep ?
 - (e) What do you get when you subtract 7 from 22 five times ?

2. King Danno Much noticed that in his kingdom where war had raged for many years, the number of men was too few for the number of women who wished to marry them. He decided to change the laws of the land so that in future more boys would be born than girls. He decreed that every woman should cease to bear children as soon as she gave birth to her first daughter. How successful do you think the king was in solving this problem ?

3. Find the missing number in the following sequence:

5, 8, 3, ?, 2, 1
